It is now waiting on the County's approval. Ahle said he wants to wait until after the April 6<sup>th</sup> election to have the floors done.

are not actually laws. Example: Edwardsville has an ordinance that people cannot walk down the street alone without a mask. Morski said this resolution protects you from ordinances (orders) made up by the County. Trustee Hursey added; if it's a law, fine. These strange orders come out and put local law enforcement on the spot whether or not to ticket a person.
